

Adult Inpatient Detoxification Program

Summit Oaks Hospital provides a short-term Detoxification Program for adults who are struggling with substance use disorders. On our 24-bed unit, we provide a medically managed program designed to stabilize and ease the discomforts of withdrawal symptoms, while helping individuals move toward a healthier lifestyle.

The dedicated physicians, nurses, social workers, counselors, and other support staff members provide comfort, counseling and education to help patients successfully detox.

Services we provide:

- **Medication-assisted treatment**
- **Withdrawal management**
- **24/7 Nursing care**
- **Individualized treatment planning**
- **Comprehensive evaluation**
- **Group therapy**
- **Psychoeducation**
- **Recreational activities**
- **Relapse prevention principles and education**
- **Case management**
- **Aftercare planning**

ABOUT US

Summit Oaks is one of the oldest behavioral health and substance use treatment centers in New Jersey and includes a 122-bed hospital and an outpatient counseling center. Our programs are designed to stabilize, support and provide hope for patients of all ages. Our compassionate admissions staff members are available 24/7, including holidays, to begin the admission process.

We accept most major insurances including Horizon Blue Cross® Blue Shield®, Aetna®, Cigna®, Oxford UBH, Qualcare®, TRICARE®, Medicare and Medicaid. If your insurer is not contracted with us, we work directly with most insurers on out-of-network single-case contracts.
