

Adult Co-Occurring Inpatient Program

Our Co-Occurring Disorder Treatment program is specially designed to stabilize both acute psychiatric symptoms and substance use disorders. We provide a therapeutic environment for healing during challenging times. Our primary goal is to guide individuals to a healthier lifestyle, while addressing individual needs.

Our unit allows individuals to gain new tools for their recovery, while being supported 24/7 by nursing staff. Physicians, nurses, social workers, counselors, and other supportive staff members provide individualized, compassionate care that promotes continued success during treatment and after discharge.

We provide:

- Comprehensive evaluation
- Medication management and MAT
- Short-term detoxification
- Group therapy
- Psychoeducation
- 12-step groups
- Pet, art, yoga and other recreational therapies
- Case management
- Aftercare planning

ABOUT US

Summit Oaks is one of the oldest behavioral health and substance use treatment centers in New Jersey and includes a 122-bed hospital and an outpatient counseling center. Our programs are designed to stabilize, support and provide hope for patients of all ages. Our compassionate admissions staff members are available 24/7, including holidays, to begin the admission process.

We accept most major insurances including Horizon Blue Cross® Blue Shield®, Aetna®, Cigna®, Oxford UBH, Qualcare®, TRICARE®, Medicare and Medicaid. If your insurer is not contracted with us, we work directly with most insurers on out-of-network single-case contracts.
